Over 14 years at Maitland Baptist Church Suzanne founded and developed a Long Day Care Centre which not only became a leading provider of childcare services in the community, but a strategic link by which well over 100 people came to become followers of Jesus. She now directs the Preschool at Mayfield Baptist Church.

Suzanne is a wife and mother, a leader and manager and an evangelist for whom relationships are central to seeing people come to discover Jesus. Come and hear Suzanne Sutherland speak on:

- What missional ministry to families can look like
- Refocussing community ministry that has lost its mission edge,
- The importance of balancing excellence in service provision with passion for evangelism
- Partnerships with government & other parties in community ministry
- Relationship evangelism in practice
- Getting past the first generation – ensuring longevity in community ministry
